

STATEMENT

Following Russian invasion in Ukraine, Polish Badminton Association cannot remain inactive. We strongly condemn any act of violence on the Ukrainian soil. Therefore, we have taken the following actions:

- Players representing Russian Federation will not be accepted to upcoming tournaments in Poland, starting with Polish U17 International in Białystok and Orlen Polish Open 2022 in Łódź,
- Today we have canceled all visa invitations for Russian citizens,
- Russian flag will not be displayed in any way during tournaments in Poland,
- Polish badminton players will not travel to Russia for any competition under further notice.

Polish Badminton Association has also contacted Ukrainian Badminton Federation about the possibility of training in Warsaw training facility, accommodation and any other assistance Ukrainian players and technical staff may need.

Meanwhile our hearts and prayers are with Ukraine.
