Dear participants of badminton tournament ORLEN Polish Open 2022

In less than three weeks, on March 24 – 27, 2022 we shall meet at Arłamów for the international tournament ORLEN Polish Open 2022.

The tournaments organized in Poland have been mainly the opportunity to compete and promote our sport. However, due to the situation in Ukraine since 24 of February, the tournament ORLEN Polish Open 2022 takes different dimension. We intend not only to play tournaments in the spirit of fair play and respect for human beings, but to organize sport competition with the express of support for Ukrainian athletes and all Ukrainian nation. Such support will be expressed by specially prepared branding presented in „Live streaming” all around Europe.

We would like to request the badminton federations participating in ORLEN Polish Open 2022 to agree to deliver total prize value for the support to Ukrainian athletes.

All the participants are invited to support Ukraine during the tournament. Polish Badminton Association will arrange transfer of material assistance from Arłamów to the border with Ukraine by PZBad minibuses.
