Monday 13 January 2025

Dear Members and Continental Confederations,

The BWF will be continuing its initiative on BWF Player Education & Dual-Career (Beyond Badminton) activations, following positive outcomes and great engagement in 2024.

BEYONDBADMINTON

This year, the activation will be integrated into existing BWF international events for elite, Para badminton and junior players.

The activation aims to spread awareness and share information about the available opportunities, pathways and resources for players.

Working closely with the Continental Confederations and respective member association / host, BWF will deliver the following activities:

- Circulate a Dual Career information email to Team Managers & coaches (pre-event)
- Promotional materials with QRcode (during event)
